

# COLLEGE & YOUNG PROFESSIONALS

*“From Served to Serving... Contributing to the Kingdom through serving others.”*

**Values:**

Participating in Kingdom growth through service. Living as committed Kingdom Citizens. Developing Kingdom character through accountability, study & prayer

**Mission:**

To push the boundaries of the Kingdom in Southwest Calgary.

**Vision:**

To see twenty-somethings grow from Kingdom Spectators to Kingdom Participants; living out the new creation of the Kingdom through service to others

**Connect Class:**

Sunday mornings at RHBC @ 9:15 for a time of Bible study, dialogue, service/mission updates and prayer. We want to provide a time to study together as a community and to keep in touch with how God is impacting His world today. We aim to study the Bible with a mixture of humility, humour, and passion.

**Potluck, Prayer and Share:**

On Tuesday Nights we meet at a home for potluck dinners oriented around relationship-building in an open, relaxed “family” atmosphere. The goal/purpose is to provide a time for discussion, encouragement, prayer, laughter and food; and to build relationships characterized by transparency and authenticity. Potluck, Prayer and Share starts at 6:00 pm and ends around 10:00 pm.

**Reflected Glory:**

These are small, personal groups focused around a specific bible study, accountability and prayer. This will be the place where we ask each other the hard, personal questions to keep our relationship with God vital and growing. As we encourage and study we will strive to seek the values of Kingdom Citizenship and reflect the glory of our Lord.

**Diakoneo:**

Service is the indispensable outgrowth of submission to our King. Not only is it the visible fruit of the Christ-like character we should cultivate as kingdom citizens, but it forms the raw material God uses to build his Kingdom. Understanding this, our goal is to provide service opportunities within our community, so that the light of Jesus will be visible in Southwest Calgary, and so that the boundaries of the Kingdom will be expanded in our area of influence. .
