

DISCIPLESHIP

Luke 6:40 says, "Everyone who is fully trained will be like his teacher." Our discipleship ministry is organized to provide various types of training to enable you to become like Christ. All of these groups are between 3 and 30 people and are set up to help you connect with God His Word, His Church and His Mission. We encourage everyone to join one of these groups soon after coming to our church.

Sunday Morning Connect Classes

On Sunday mornings we have connect classes from 9:15-10:15 throughout our church building. We have all types of classes for adults. Our children, youth and college are age-graded. You can call the church office to find out which class is best for you or our Welcome Team will be happy to help you find an appropriate class for you.

Home Groups

We have several groups that meet during the week offsite in someone's home. The topics for study are determined by the group along with the day, time, and place.

Small Groups

We have small groups designed for special focuses or specific people. We have had groups for single moms, men's groups, women's groups, and mentorship programs. These groups usually meet during the week at various times and locations.

Joining a Group

Joining a group is quite simple. All you need to do is show up. You can also contact us and we'll help you get connected. All of these groups are open and you are welcome to join anytime. See our seasonal calendar to determine when and where our discipleship groups are meeting.

Library

We also have a library available for you to use. It is full of resources to help you grow in your faith and a volunteer staff to help you find what you need. You can sign up to get a free library card any time the library is open. If you need a resource that isn't available we also have access to the Seminary bookstore or can order from other Christian organizations.

Volunteer Opportunities

We are always open to starting new discipleship groups. If you would like to start a new group, or volunteer in the library, talk to us and we will help you. Our discipleship ministry is organized to assist leaders with training, support, encouragement and fellowship.
