

Rocky Mountain Men of God

MEN

Studies have shown that when mothers bring their children to church without the father there is a reduced likelihood of the children becoming committed followers of Jesus Christ. However, when the father leads the way for his entire family to attend church then there is a significantly higher probability that the complete family will follow Jesus. It's obvious for this and many other reasons that families today need their men to become men of God.

It is the desire of this ministry that all our men will have a heart for God like Joshua.

"And Joshua said unto all the people... choose this day whom ye will serve;... but as for me and my household, we will serve the Lord" (Joshua 24:2; 15)

The Rocky Mountain Men of God is a men's ministry to help our guys be all that God wants them to be. We study God's Word, serve our church and community, and get together for fellowship, fun and new adventures.

Annual events include serving a Valentine's Day brunch to wives, ski day at Banff, quarterly breakfasts, volunteering as opportunities arise, serving at a community barbeque and we also host an annual Grey Cup social. We attempt to include enough variety in our activities that there are events for everyone.

We also hold an annual "Men's Retreat". This is usually held on a Friday evening and Saturday morning with all the men staying overnight. This is the highlight of our year as it really affords men the opportunity to bond with each other, study God's calling upon men, pray and enjoy the outdoors and all it has to offer for recreation. We typically bring in a guest speaker to lead a discussion on pertinent men's issues.

Our objective is to grow the RMMoG into a dynamic, active group of men who make a difference in the lives of their families, the workplace and our community.

Volunteer Opportunities

If you are a man, high school or older, you are welcome to join us. If you want to learn more about the RMMoG, contact us at 403-242-1256. We will then have one of our men contact you and arrange for a time for in-depth discussion. Throughout the year there are multiple opportunities for you to "plug in" to events so also watch the bulletin for announcements.
