

WORSHIP

“For long ago, in the days of David and Asaph, there were leaders of the singers and songs of praise and thanksgiving to God.” (Nehemiah 12:46)

The worship team are those called and selected from among the congregation to lead the church in songs of praise and thanksgiving to God. This is a ministry that requires a calling from God, skills and giftedness to perform the task.

Volunteer Opportunities

Adult Choir

The Adult choir rehearses on Wednesday evenings from mid-September to May. The choir sings about twice a month on Sunday mornings and also presents seasonal concerts throughout the year. Grade 7 and up are welcome to join. Any level of talent is welcome to join the adult choir. If you are interested in joining contact the choir director.

Worship Team

The worship team is a group of musicians and technicians who lead the worship for our Sunday services. They rehearse on Wednesday evenings and rehearse again on Sunday morning before the service. Most members of the worship team serve two Sundays a month.

We are always open to more members on our worship team. We have three ways to serve on our team:

- ◆ **Instrumentalists and Vocalists**
We use standard contemporary instruments in our worship band and our vocalists lead the congregational singing.
- ◆ **Sound Technicians**
Sound technicians set up the stage and run the sound board during rehearsals and worship services.
- ◆ **Media Technicians**
In our worship services we use videos, slideshows and Powerpoint slides to assist the congregation in worship. This is all run by our media tech during the services.

If you are interested in joining the worship team in one of these areas, let us know the church office and we will set up an interview/audition to get to know you better.
